

How to Access MAACM Attendify Event

Last updated 4/24/2019

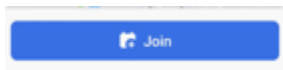

The event is available for viewing.

Accessing the 2019 MAACM Event

1. Install the Attendify app (if not already done from last conferences) from the Play Store or iTunes, depending on your phone.
2. You will need to create a username and password, if you do not already have one.
3. Open Attendify, and click on in the “Search” box.

4. Type in “MAACM”, the event should display in the results.
5. Click on the event and then click **Join**

6. After logging in, click on the top left to access the menu to view schedule, speakers, maps, vendors, etc.
